**Minutes of the Executive Meeting of the Castlecrag Progress Association held at Mr Solomon's Refreshment Rooms, Tuesday 8<sup>th</sup> February 1927 [see page 67 of Minute Book]**

The General Meeting having lapsed for want of a quorum, those present were addressed by Messrs Billham and Nixey on behalf of the **Mary** League. A Vote of thanks to the speakers was carried by acclamation. It was pointed out that while individual members of the Association could give the League what assistance they chose, the Association as such could not give the League official countenance.

The informal gathering having completed its purely informal business, Mr Herbert, President, occupied the Chair in the presence of Mrs Solomon and Messrs Solomon, Vice President, Poyett, Small, Spargo, and the hon Secretary, and declared the meeting of the Executive open.

The minutes of the Executive meeting of 11<sup>th</sup> January were read and confirmed. Ingoing correspondence was received and outwards endorsed.

Mr Nixey, who stayed for the meeting of the Executive, was admitted as a member of the Association and paid his subscription.

Signed: L Christopher Carrington (hon secretary)

Confirmed: P.M. Solomon (Chairman)
